Gentlemen:

The receipt is acknowledged of your letter of February 29, stating that the chum salmon taken by beach seine at False Pass, as shown on your report, were purchased from Oscar Vanner. This is entirely satisfactory and your prompt attention to the matter is appreciated.

Reference is made in the first paragraph of the Bureau's letter of February 25 to your entry of one 125-fathom beach seine under the heading of fishing apparatus, the operation of which was not authorized by your permit. For the completion of the Bureau's records, please advise whether this seine was operated at any time within the reservation.

Very truly yours,

Henry O'Malley.

Commissioner.
